**PRAYER BEFORE WORSHIP:** Inspire us, O leading Lord, to speak Your message and share Your blessings with people living in places all over the globe. Give us courage, too, to witness to the people in our own communities and the people we spend time with day after day.

*O Jesus, our Prophet and King, make us faithful messengers of Your prophetic Word.*

**WELCOME TO ALL OF YOU** in the name of our Saviour, especially the visitors who have joined us this morning. If you do not have a church that you call home, we invite you to make Grace your spiritual home. Amid the trials and tribulations of life it's good that we can come to our Lord for strength through His Word. Please introduce yourself to the Pastor, and fill in the "Worship attendance registration" at the end of the pew.

**GUESTS AND HOLY COMMUNION:** When Jesus said, “Do this”, in giving the Lord’s Supper, He used a verb form which means, “Keep on doing this!”, or, “Do it again and again!”. As we keep on doing what He has here commanded us to do, we also want to keep on witnessing to the truth of His Word. For this reason, the churches of Lutheran Church-Canada promise to follow the Biblical practice of closed communion. Guests who desire to commune are kindly asked to speak with the Pastor before the service.

**OUR MIDWEEK SUMMER SERVICES** are held at Faith on Wednesdays at 7:15 p.m. These services have been a blessing to many of our members, especially as weekend travel time increases in the summer. They are also a great opportunity for worship for those who work on weekends. We need God’s Word for our lives, and the blessings He provides as He serves us through our gathering with Him in His house. Don’t miss the opportunity for worship!

**AS THE WEATHER BECOMES WARM AND SUNNY**, there are many activities that tempt us to miss church on Sunday. While we need the time of recreation and relaxation - in fact, that is one of the reasons why God gave us the Sabbath, we still need to remember that God’s Word is the “one thing needful”. Do not let

the devil get you out of the habit of worship; don’t think of it as an option each week. Faithfully set aside time to be in the Lord’s house; to meet with our God, and to be fed, nourished and forgiven by Him; to be strengthened for the life we still live in this sinful world.

**PLEASE REMEMBER** to bring God our regular offerings and tithes as well for the ongoing work of His Church. God calls us here to be in His glorious presence, that He may bless us. Let us commit ourselves to Him who is our forgiveness, life and salvation.

**CLOTHES FOR KIDS?** Jack & I had an amazing trip to Kathmandu, Nepal the last two weeks of June, and in that time we were privileged to get to know one young man, Sanjay Kumar, aged 22. Sanjay became our unofficial city tour guide, and during our time with him we learned that he, along with about 400 other people, are Indian refugees living in the "tent city" (slums) of Kathmandu. Sanjay generously invited Jack & I into his home several times both to meet his family and to share a specially prepared meal handmade from the very little resources that they have. We met Sanjay's father, his younger siblings, his cousin & her husband & their children.

On talking further with Sanjay, we asked what their greatest need was living as they do in tents which are merely bamboo poles lashed together, with plastic tarps to keep the elements out. We were told that at this time of the year, the monsoon rains do get through, soaking their belongings and bedclothes. At this time, many children become sick from contaminated water, etc. And in the winter months, the outdoor temperatures often falls to 2 to 5 degrees celsius. Many of the children living in the tent city do not have any warm clothes to wear and to try to keep warm, they must wrap themselves up in their blankets.

Jack & I are hoping that anyone who has any used children's clothing to give away would consider donating these to us and once we have a good shipment gathered together we have an address in Kathmandu to which we could send everything.

When we asked Sanjay what we was hoping to achieve for his own future, he replied that he wants to find some extra work shining shoes so that he can help his family make ends meet. Specifically, he wants to be able to earn enough to send his little sister, aged 7 years, to school so that she does not end up begging on the streets. We were very touched by the closeness of this family, and their determination to try to make a better life for themselves.

If you have any items to donate, you can phone us at home (or leave a voice message) at 519-461-1702, and we will discuss individual arrangements for collecting the clothes (whether we pick them up, pick them up at church on Sunday, etc.).
